

THE 10 OFFICIAL REASONS FOR RESHOOTS

(Based on the IPSC Handgun Rulebook, January 2006 Edition)

Hi folks,

As there seem to be many incorrect reasons given in order to justify appeals for reshoots, the following list, as authorized by the rulebook, might be useful:

1. **MODIFIED COURSE OF FIRE:** Depends on RM decision under Rule 2.3.3.1. & Rule 2.3.3.2.
2. **RANGE EQUIPMENT FAILURE:** Depends on RO decision under Rule 4.3.1.6, mandatory under Rule 4.6.2, Rule 9.1.5.2 & Rule 9.1.6.2
3. **LOSS OF EYE OR EAR PROTECTION:** Mandatory if Rule 5.4.3 applies
4. **SUSPECTED SQUIB:** Mandatory if Rule 5.7.6.2 applies.
5. **INTERFERENCE:** Depends on RO decision under Rule 8.6.3
6. **TARGET ISSUES:** Depends on RO decision under Rule 9.1.3 & Rule 9.1.4
7. **SCORESHEET ISSUES:** Depends on RM decision under Rule 9.7.5 (also see Rule 9.7.6)
8. **FAULTY TIMER:** Depends on RO decision under Rule 9.10.1 or an Arbitration decision under Rule 9.10.2
9. **INCORRECT START POSITION:** Depends on RO decision under Rule 8.2.2
10. **CALIBRATION ISSUES:** See Appendix C1, Points 6(c), 7(b) and 7(c).
